Tuition and Financial Information

At University College, a world-class education is within your reach. With tuition rates that are surprisingly affordable and competitive among other private colleges and universities in the St. Louis area, University College is designed to meet the educational needs of those who are seeking to expand their professional knowledge, earn a degree or certificate, or help lifelong learners explore new fields and interests.

Tuition and Fees

Tuition rates for University College undergraduate and graduate courses can be found in the fall, spring, and summer Course Schedules and online on our Tuition & Financial Aid webpage (http://ucollege.wustl.edu/tuition-aid). Tuition and lab or materials fees vary according to course and program.

Tuition Payment

All tuition and fees must be paid in full at the time of registration. Acceptable methods of payment include cash, check, credit card, approved financial aid, and approved employer tuition reimbursement plans.

Refunds

All refunds are calculated from the date on which the student completes a course change form (PDF) (http://ucollege.wustl.edu/files/ucollege/Documents/Forms/Courses/course-change-form.pdf) online. If the original payment was made by credit card, a refund will be applied to the student’s credit card. Otherwise, a check will be generated for the refund amount. Check refunds can be picked up at the Student Financial Services office (https://sfs.wustl.edu/Pages/default.aspx) in North Brookings. Checks not picked up within two weeks are mailed to the student’s local address.

University College grants full refunds to individuals called to active military duty.

More information can be found in the fall, spring, and summer Course Schedules and on our Refund Policies & Deadlines webpage (http://ucollege.wustl.edu/tuition-aid/tuition/refunds).

Financial Assistance

University College students — part-time and full-time — who are enrolled in a degree or certificate program may be eligible for financial assistance in the form of grants, loans and scholarships. Students can learn more about financial assistance options and obtain the appropriate forms by visiting our Financial Aid webpage (http://ucollege.wustl.edu/tuition-aid/financial-aid) or by contacting the financial aid coordinator in University College at 314-935-6742. If students receive any type of financial assistance through University College, they must meet the academic standing and satisfactory progress requirements as defined by the particular assistance program and Student Financial Services.

Satisfactory Academic Progress

Federal and state regulations require that educational institutions measure students’ academic progress toward a declared educational objective. To remain eligible and retain disbursed federal and state financial aid, students must maintain satisfactory academic progress (SAP). To remain in good standing, students must satisfy the following requirements: Undergraduate students must be on pace to complete their program by attempting no more than 150 percent of the credits required to meet their program requirements with a C (2.0) minimum grade point average; graduate students must be on pace to complete their program by attempting no more than 150 percent of the credits required to meet their program requirements with a B (3.0) minimum grade point average. In addition, all students receiving financial aid are reviewed on a case-by-case basis to ensure a significant portion of enrolled courses have been successfully completed.
