Olin Residence Hall, at 4550 Scott Ave. at the Washington University Medical Center, has accommodations for approximately 144 single men and women from all programs at the School of Medicine. The building was made possible by generous gifts from Spencer T. Olin, alumni, and friends of the School of Medicine. Olin Hall is planned for the convenience of students in the medical or paramedical sciences and includes shared cooking facilities, a gymnasium, weight room and state-of-the-art workout facility, laundry room and penthouse with a recreational area and large-screen television with satellite system. Every effort is made to provide an atmosphere that not only aids residents in meeting their study obligations, but also recognizes their privileges as graduate students. We are dedicated to making the Washington University experience one that students will remember both in and outside the classroom by hosting events that spark their interest with community events.
