Interdisciplinary Opportunities

Washington University offers courses through Interdisciplinary Programs that include studies in a variety of disciplines that cross traditional academic boundaries and support academic areas outside the schools.

• Courses in the Gephardt Institute for Public Service and the Global Certificate are all cross-listed with specific schools and departments.
• A limited opportunity for some Washington University students to enroll in courses at Saint Louis University and the University of Missouri–St. Louis is available through the Inter-University Exchange Program.
• ROTC courses are offered in conjunction with the U.S. Air Force and U.S. Army.
