Economics

The Department of Economics at Washington University has a strong reputation in training high-quality PhD students for academic positions and for private- and public-sector jobs. We are seeking qualified students from any field who possess strong analytical abilities in mathematics and statistics and who are willing to complete a challenging PhD degree in economics. At this time, we do not offer a terminal AM in our program.

The department offers students financial support while in good academic standing.

Faculty

Co-Chairs

John Nachbar (http://economics.wustl.edu/nachbar)
Professor, Department Chair
PhD, Harvard University
Economic theory

Marcus Berliant (http://economics.wustl.edu/berliant)
Professor, Department Associate Chair
PhD, University of California, Berkeley
Public finance; mathematical economics; urban economics

Endowed Professors

Costas Azariadis (http://economics.wustl.edu/people/Costas_Azariadis)
Edward Mallinckrodt Distinguished Professor in Arts & Sciences
PhD, Carnegie Mellon University
Macroeconomic dynamics; economic development; monetary and fiscal policy

Michele Boldrin (http://economics.wustl.edu/people/Michele_Boldrin)
Joseph Gibson Hoyt Distinguished Professor in Arts & Sciences
PhD, University of Rochester
Economic theory; economic growth; macroeconomics

Steven Fazzari (http://economics.wustl.edu/people/steve_fazzari)
Bert A. and Jeanette L. Lynch Distinguished Professor of Economics
PhD, Stanford University
Macroeconomics; Keynesian economics; investment and finance

Rodolfo Manuelli (http://economics.wustl.edu/people/rodolfo_manuelli)
James S. McDonnell Distinguished University Professor
PhD, University of Minnesota
Economic growth and development economics; macro and monetary economics

Werner Ploberger (http://economics.wustl.edu/people/werner_ploberger)
Thomas H. Eliot Distinguished Professor in Arts & Sciences
PhD, Vienna University of Technology
Statistics; econometric methodology; time-series econometrics

Robert Pollak (http://www.olin.wustl.edu/EN-US/Faculty-Research/Faculty/Pages/FacultyDetail.aspx?username=pollak)
Hennreich Distinguished Professor of Economics
PhD, Massachusetts Institute of Technology
Environmental economics; microeconomics/industrial organization; business and government; political economy

Norman Schofield (http://polisci.wustl.edu/norman_schofield)
Dr. William Taussig Professor of Political Economy
LittD (Doctor of Letters), Liverpool University
Doctorat d’Etat en Sciences Economiques, Universite de Caen
PhD, Essex University
Formal theory; comparative politics

Ping Wang (http://economics.wustl.edu/people/Ping_Wang)
Seigle Family Professor
PhD, University of Rochester
Growth/development; money/macro; economic theory; spatial/health economics

Professors

Gaetano Antinolfi (http://economics.wustl.edu/people/Gaetano_Antinolfi)
PhD, Cornell University
Macroeconomics; monetary and international economics

Robert Parks (http://economics.wustl.edu/people/parks)
PhD, Purdue University
Econometrics; public finance

Bruce Petersen (http://economics.wustl.edu/people/bruce_petersen)
PhD, Harvard University
Financial economics; applied microeconomics

Associate Professors

George-Levi Gayle (http://economics.wustl.edu/people/george-levi-gayle)
PhD, University of Pittsburgh
Econometric theory; contract theory; labor economics; personnel economics; corporate governance
Limor Golan (http://economics.wustl.edu/people/limor-golan)  
PhD, University of Wisconsin–Madison  
Labor economics; applied microeconomics; applied econometrics

Sukkoo Kim (http://economics.wustl.edu/people/sukkoo_kim)  
PhD, University of California, Los Angeles  
Economic history; urban and regional economics; trade and development

Brian Rogers (http://economics.wustl.edu/people/brian-rogers)  
PhD, California Institute of Technology  
Microeconomic theory, in particular the fields of network formation, social learning, and applied game theory

Yongseok Shin (http://economics.wustl.edu/people/Yongseok_Shin)  
PhD, Stanford University  
Macroeconomics; economic growth

Jonathan Weinstein (http://economics.wustl.edu/people/jonathan-weinstein)  
PhD, Massachusetts Institute of Technology

Assistant Professors

Ian Fillmore (https://economics.wustl.edu/people/ian-fillmore)  
PhD, University of Chicago

Anqi Li (http://economics.wustl.edu/people/anqi-li)  
PhD, Stanford University  
Mechanism design; micro theory

Paulo Natenzon (http://economics.wustl.edu/people/paulo-natenzon)  
PhD, Princeton University  
Behavioral economics; decision theory; economic theory

Carl Sanders (http://economics.wustl.edu/people/carl-sanders)  
PhD, University of Wisconsin  
Labor Economics particularly models with multi-dimensional human capital and their implications for occupational mobility and wage growth

Degree Requirements

PhD in Economics

General Course Requirements

The PhD in Economics takes five years to complete and requires at least two years of course work in 500-level classes with a 3.0 grade point average. Students may transfer up to 24 units of graduate work completed elsewhere but are advised to make such a transfer only after consultation with the Director of Graduate Studies.

Course work must include the following classes:

1. Microeconomic Theory and Macroeconomic Theory: 12 units (Econ 501, Econ 502, Econ 503, Econ 504);

2. Quantitative methods and econometrics: 9 units (Econ 511, Econ 512, Econ 5161).

An Ideal Chronology of PhD Study

Summer Before the First Year (August)

- Mathematics Review and Statistics Review

Year 1

Core Courses:

- Fall Semester/Spring Semester
- Econ 501 Macroeconomics I/Econ 502 Macroeconomics II
- Econ 503 Microeconomics I/Econ 504 Microeconomics II
- Econ 511 Quantitative Methods I/Econ 5161 Applied Econometrics
- Econ 512 Quantitative Methods in Economics II

Year 2

- Preliminary exams in late August, retake preliminary exams (if necessary) in December
- Field courses
- Research paper proposal

Year 3

- Complete research paper
- Field courses
- Dissertation proposal

Year 4

- Work on dissertation
- Prepare and present job market paper

Year 5

- Enter the job market
- Finish and defend the dissertation

More information on degree requirements can be found on the Department of Economics (http://economics.wustl.edu) website.
