Degree Requirements

All School of Continuing & Professional Studies undergraduate students must satisfy the same general-education requirements (<http://bulletin.wustl.edu/undergrad/caps/bachelors/#degreerequirements>).

Students in BSIS programs must complete a certificate (<http://bulletin.wustl.edu/undergrad/caps/certificates/>), tailoring their degree to their educational and professional goals. Students in the Clinical Research Management program may fulfill this requirement with the overlapping Certificate in Clinical Research Management. Students in BSIS programs must also complete a Community Engagement course. A designated course in the Clinical Research Management program will fulfill this requirement.

Requirements specific to the field of study include the following:

Required courses: 38 units
