Below is a list of majors offered by the McKelvey School of Engineering. Visit the following sections of this Bulletin for more information about a specific major. Students must log into WebSTAC (https://acadinfo.wustl.edu/WebSTAC.asp) and select the Major Programs link under Academics to switch their major program within Engineering or to declare a second major or minor online.

- Applied Science (Chemical Engineering) (https://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/#majors)
- Biomedical Engineering (https://bulletin.wustl.edu/undergrad/engineering/biomedical/#majors)
- Chemical Engineering (https://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/#majors)
- Computer Engineering (https://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-computer-engineering)
- Computer Science (https://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-computer-science)
- Computer Science + Economics (https://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-applied-computer-science-economics)
- Computer Science + Math (https://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-applied-computer-science-math)
- Electrical Engineering (https://bulletin.wustl.edu/undergrad/engineering/electrical/bs-electrical)
- Environmental Engineering (https://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/#majors)
- Individually Designed Major (https://bulletin.wustl.edu/undergrad/engineering)
- Second Major in Computer Science (https://bulletin.wustl.edu/undergrad/engineering/computerscience/second-major)
