Majors (directory)

Below is a list of majors offered by the McKelvey School of Engineering. Visit the following sections of this Bulletin for more information about a specific major. Students must log into WebSTAC (https://acadinfo.wustl.edu/WebSTAC.asp) and select the Major Programs link under Academics to switch their major program within Engineering or to declare a second major or minor online.

- Applied Science (Chemical Engineering) (http://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/bs-applied-chemical)
- Biomedical Engineering (http://bulletin.wustl.edu/undergrad/engineering/biomedical/#majors)
- Business and Computer Science (http://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-business-computer-science)
- Chemical Engineering (http://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/bs-chemical)
- Computer Engineering (http://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-computer-engineering)
- Computer Science (http://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-computer-science)
- Computer Science + Economics (http://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-applied-computer-science-economics)
- Computer Science + Math (http://bulletin.wustl.edu/undergrad/engineering/computerscience/bs-applied-computer-science-math)
- Double Majors and the Pre-Medical Program (EECE) (http://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/double-majors-premed)
- Electrical Engineering (http://bulletin.wustl.edu/undergrad/engineering/electrical/bs-electrical)
- Environmental Engineering (http://bulletin.wustl.edu/undergrad/engineering/energy-environmental-chemical/bs-environmental)
- Individually Designed Major (http://bulletin.wustl.edu/undergrad/engineering)
