Financial Information

Financial Aid
The Sam Fox School of Design & Visual Arts strives to provide financial assistance to as many students as possible. Financial aid packages most often consist of a combination of fellowships or scholarships, teaching and/or technical assistantships, and loan assistance.

An application for financial aid will have no effect on decisions for admission to the Graduate School of Architecture & Urban Design. Financial aid awards, including merit-based scholarships, are identified through the admissions process and are based on separate considerations of academic excellence, architectural ability and financial need.

Through the Sam Fox Ambassadors Graduate Fellowship Program (https://samfoxschool.wustl.edu/admissions/graduatefinancial-aid/ambassadors/), the School will award 10 full-tuition scholarships each year to outstanding candidates for graduate study. Ambassadors will also receive an annual $750 travel stipend to support individual research or school-sponsored travel. The tuition waiver and stipend will be renewed annually for Ambassadors in good standing. Ambassadors will be selected from top applicants to the following degree programs: Master of Architecture, Master of Fine Arts in Visual Art, Master of Fine Arts in Illustration & Visual Culture, Master of Landscape Architecture, and Master of Urban Design. Recipients will demonstrate exceptional potential for advanced studies and creative research in their discipline. In addition to the tuition waiver and stipend, Ambassadors will participate in a series of events each year designed to build deep and meaningful connections across disciplines that advance their creative work and scholarship.

Fees
The university reserves the right to change the fees stated or to establish additional fees at any time without prior written notice. Whenever fee changes or additions are made, they become effective with the next payment due.

Financial Obligations
Students are responsible for fulfilling their financial obligations to the university. If their account becomes overdue, a late payment fee will be assessed and a hold will be placed on the account. Students with a poor payment history may be restricted from utilizing certain payment options or receiving tuition remission until course credit has been earned. Nonpayment of tuition and other expenses due the university will be cause for exclusion from class or refusal of graduation, further registration or transfer credit. In addition, students are liable for any costs associated with the collection of their unpaid bills, including but not limited to collection agency costs, court costs and legal fees. Past due amounts can also be reported to a credit bureau.
