Executive Master of Business Administration (MBA) Shanghai

Degree Requirements
Executive MBA Shanghai

Credit Units
The Executive MBA (EMBA) program requires each student to complete 60 credit units.

Olin Code of Conduct
All EMBA students are required to abide by the Olin Business School Code of Conduct, which pertains to topics such as academic integrity, professionalism and respect for others. It also contains guidelines and procedures for academic discipline. Failure to comply with the Code of Conduct may result in penalties up to and including expulsion.

Standard Classroom Schedule/Out-of-Class Requirements
EMBA classes meet from 8:30 a.m. until 6:00 p.m., with lunch from 12:30 p.m. to 1:30 p.m. The program will also periodically require students to be present for sessions during the lunch hour and in the evening.

In addition, EMBA students have significant out-of-class requirements (e.g., readings, team meetings, assignments, projects, exams). These typically begin about four weeks prior to the first session of a course and end between two and six weeks after the final session of a course.

Time Limit
Although most EMBA students complete the MBA degree with their cohort in 20 months, there is a seven-year time limit for the completion of the MBA degree.
