Executive Master of Business Administration (MBA)

Degree Requirements

Executive MBA

Credit Units
The Executive MBA (EMBA) program requires each student to complete 60 credit units.

Olin Code of Conduct
All EMBA students are required to abide by the Olin Business School Code of Conduct, which pertains to topics such as academic integrity, professionalism, and respect for others. The code also contains guidelines and procedures for academic discipline. Failure to comply with the code may result in penalties up to and including expulsion.

Residencies
The EMBA program includes three mandatory residencies: GO! Week, D.C. Immersion, and the International Management Residency. Due to the experiential nature of these residencies, they are impossible to duplicate through other course work and therefore are mandatory for graduation.

Standard Classroom Schedule/Out-of-Class Requirements
EMBA classes meet from 8:00 a.m. until 6:00 p.m., with lunch from 12:30 p.m. to 1:30 p.m. The program will also periodically require students to be present for sessions during the lunch hour and in the evening.

In addition, EMBA students will have significant out-of-class requirements (e.g., readings, team meetings, assignments, projects, exams). These typically begin about four weeks prior to the first session of a course and end between two and six weeks after the final session of a course.

Time Limit
Although most EMBA students complete their MBA degree with their cohort in 20 months, there is a seven-year time limit for completion of the MBA degree.
