Academic Programs Offered

Fields of Study

- Biomedical Engineering [Link]
- Computational & Data Sciences (Interdisciplinary PhD) [Link]
- Computer Science & Engineering [Link]
- Electrical & Systems Engineering [Link]
- Energy, Environmental & Chemical Engineering [Link]
- Imaging Science [Link]
- Materials Science & Engineering [Link]
- Mechanical Engineering & Materials Science [Link]
- Henry Edwin Sever Institute [Link]

Degrees Offered

- Aerospace Engineering (MS, DSc, PhD) [Link]
- Biomedical Engineering (MS, PhD) [Link]
- Computational & Data Sciences (PhD) [Link]
- Computer Engineering (MS, PhD) [Link]
- Computer Science (MEng, MS, PhD) [Link]
- Construction Management (Master, Certificate) [Link]
- Cybersecurity Engineering (MS, Certificate) [Link]
- Cybersecurity Management (Master, Certificate) [Link]
- Data Mining and Machine Learning (Certificate) [Link]
- Electrical Engineering (MS, DSc, PhD) [Link]
- Energy, Environmental & Chemical Engineering (MEng, MS, PhD) [Link]
- Engineering Data Analytics and Statistics (MS) [Link]
- Engineering Management (Master, Certificate) [Link]
- Health Care Operational Excellence (Master, Certificate) [Link]
- Imaging Science & Engineering (Certificate) [Link]
- Imaging Science [Link] (MS, Interdisciplinary PhD) [Link]
- Information Systems Management (Master, Certificate) [Link]
- Materials Science & Engineering [Link] (MS, DSc, PhD) [Link]
- Mechanical Engineering (MEng, MS, DSc, PhD) [Link]
- Project Management (Master, Certificate) [Link]
- Systems Science & Mathematics (MS, DSc, PhD) [Link]
