Academic Programs Offered

Fields of Study

- Biomedical Engineering
- Computational & Data Sciences (Interdisciplinary PhD)
- Computer Science & Engineering
- Electrical & Systems Engineering
- Energy, Environmental & Chemical Engineering
- Imaging Science
- Materials Science & Engineering
- Mechanical Engineering & Materials Science
- Henry Edwin Sever Institute

Degrees Offered

- Aerospace Engineering (MS, DSc, PhD)
- Biomedical Engineering (MS, PhD)
- Computational & Data Sciences (PhD)
- Computer Engineering (MS, PhD)
- Computer Science (MEng, MS, PhD)
- Construction Management (Master, Certificate)
- Cybersecurity Engineering (MS, Certificate)
- Cybersecurity Management (Master, Online Master, Certificate, Online Certificate)
- Data Mining and Machine Learning (Certificate)
- Electrical Engineering (MS, DSc, PhD)
- Energy, Environmental & Chemical Engineering (MEng, MS, PhD)
- Engineering Data Analytics and Statistics (MS)
- Engineering Management (Master, Online Master, Certificate)
- Financial Engineering (Certificate)
- Health Care Operational Excellence (Online Master, Online Certificate)
- Imaging Science & Engineering (Certificate)
- Imaging Science (MS, Interdisciplinary PhD)
- Information Systems Management (Master)
- Materials Science & Engineering (MS, DSc, PhD)
- Mechanical Engineering (MEng, MS, DSc, PhD)
- Systems Science & Mathematics (MS, DSc, PhD)
