We welcome students with disabilities to apply to our school, to disclose their disability, and to collaborate with us to develop accommodations so that they can thrive and do their best work. Individuals who anticipate needing accommodations are encouraged to contact the university’s Disability Resources office (https://students.wustl.edu/disability-resources/) for a consultation. Disability Resources will engage in a confidential and interactive process with the student and other personnel as necessary to determine reasonable accommodations. As accommodations are not applied retroactively and may require time to be implemented, they should be requested in a timely manner. Decisions on admission, retention and graduation will not be affected by the need for accommodations.
