

# Program & Policy Updates

The list below includes programs and policies that have been added, discontinued, or revised since the October 1, 2021, closing date of the 2021-22 Washington University Bulletin:

## Arts & Sciences

- On the Women, Gender, and Sexuality Studies Majors tab (<http://bulletin.wustl.edu/undergrad/artsci/womengenderandsexualitystudies/#majors>), the names of the optional major plans were changed from "tracks" to "concentrations," and the requirements for both the Politics Concentration and the Health Concentration were updated. *(Revised Nov. 12, 2021)*

## School of Medicine

Please note that the School of Medicine Policies & Guidelines are under review this year as we incorporate the new Gateway Curriculum. Most of the policies have an effective date, and we will do our best on the policy pages themselves to include relevant information about the previous versions. Changes are listed below:
