This course does not replace the requirements in French.

** Students who matriculate prior to Fall 2021 have the option of switching to the new minor requirements if they prefer. Permission from the director of undergraduate studies in French is required.

Additional Information

Courses taken Pass/Fail do not count toward the minor. Students must complete courses taken for the minor with a grade of B- or higher and are expected to maintain a B average or better in all French courses.

Study Abroad: French minors are encouraged to participate in a study abroad program. Summer programs are available in Paris, Nice, and Senegal, and semester abroad programs are available in Toulouse and Paris. Up to 6 credits from each program can count toward the minor.

Students should complete an In-Perspective course prior to going abroad to Nice, Toulouse, or Paris.
