Core courses are recommended to take at least two of seven different disciplinary categories: Classics & Art History; History; Languages/Literature/Culture; Medicine, Race and Ethnicity; Performing Arts & Music; Philosophy & Religious Studies; and Women, Gender, and Sexuality Studies. (The interdisciplinary "What is Medical Humanities?" course [MedH 385] may count toward any of these disciplinary categories.) Core courses may require additional prerequisites within their home departments or programs.

Up to 3 units of affiliate courses from complementary disciplines in the natural sciences and social sciences discipline (designated by the "CFH MHA" attribute) may be applied to the minor. These courses include but are not limited to the following:

Code	Title	Units
Anthro 3201	Gender, Culture, and Madness	3
Anthro 3283	Introduction to Global Health	3
Anthro 3310	Health, Healing and Ethics: Introduction to Medical Anthropology	3
