### Additional Information

- Students must earn a grade of C- or higher in all required and elective courses for them to apply toward minor requirements.
- A maximum of 3 credits earned outside of Arts & Sciences at Washington University (e.g., through transfer credit or study abroad) may be applied to the minor, with permission from the Overseas Programs Advisor.

This minor is interdisciplinary and draws on the distinctive methodologies and training inherent in several disciplines. This minor encourages students already interested in the performing arts to explore outside of Euro-American traditions. Additionally, students majoring in fields such as anthropology, political science, psychology, education, comparative literature, history, and foreign languages may find this minor a useful complement to their primary discipline.
