

# Interdisciplinary Opportunities

Washington University offers courses through interdisciplinary programs that include studies in a variety of disciplines that cross traditional academic boundaries and support academic areas outside of the schools.

- A limited opportunity for some Washington University students to enroll in courses at Saint Louis University and the University of Missouri-St. Louis is available through the Inter-University Exchange Program.
- ROTC courses are offered in conjunction with the U.S. Air Force and U.S. Army.
- The Skandalaris Center offers cocurricular programming and practical, hands-on training and funding opportunities to students and faculty in all disciplines and schools.
