## Degree Requirements
### Associate in Arts Degree

To receive an Associate in Arts degree from University College, students must be admitted to degree candidacy; complete a minimum of 60 units of college-level work with a cumulative grade-point average of 2.0 or higher in all courses taken; and satisfy specific writing, course distribution and residency requirements. In addition, students must complete an 18-unit concentration with grades of C- or better in all courses. No more than 24 units may be transferred to the degree. The final 36 units of the degree program must be completed at Washington University. The courses completed for the Associate in Arts degree count toward all Bachelor of Science degree programs in University College.
